SUPPLEMENT TO REPORT NO. 25X1X

1. The SS FRENY, Yugoslav registry, arrived in Trieste on 14 August 1950 with a cargo of German war reparations material for Yugoslavia. Listed as used machinery, the shipment arrived in Trieste in nine large crates weighing 717,400 kilograms.
2. Schenker and Company, G.m.b.H., Zweigliederlassung, Hamburg, made the shipment on the order of the R.H. & R. Division of 609 Detachment, Military Government of Hamburg. It was consigned in Trieste to V. Bortoluzzi, manager of the Yugoslav-controlled shipping agency Nord Adria, Piazza Duca degli Abruzzi 1, at the disposal of the Yugoslav Government.
3. The shipment was brought to Trieste because the port has the necessary facilities to remove crates of such weight. It will remain stored in Trieste until the Yugoslavs receive delivery of a floating crane, currently nearing completion in a Dutch shipyard, capable of handling heavy crates in the loading and unloading of vessels.
